From: Tim Rogers <timmytyper@gmail.com>

To: barriticus@gmail.com

me: got Parmy's book this morning

me: and she's in an Anon IRC, mingling with the natives

me: I really could have done without being described as believing assassins were trying to kill me, but at least she mentions persona management

Tim: Yeah, read the assassins part, too. I stopped reading once I'd checked out all the Barrett Brown bits. But I plan to return to it.
